### **HOME-SCHOOL PARTNERSHIP AGREEMENT**

We believe that a good effective partnership between home and school is the best way to support children in school. Although it is not a legal agreement, we would expect that in choosing to send your child to Bordon Junior School, parents will be in sympathy with its aims and policies, and parents are asked to sign and return the agreement. We all aim to work together to ensure the continued well-being of every child.

#### **The School's Promise:**

- Provide a balanced curriculum and meet the individual needs of your child.
- Aim to provide a high standard of teaching, thus assisting your child to achieve their highest potential in both work and behaviour.
- Provide a safe, supportive environment, in which your child will be encouraged to develop as an individual and as a member of the school community.
- Encourage a tolerant, caring attitude towards each other and take care of their surroundings.
- Inform parents about the school, the progress of your child and any concerns regarding your child.
- Welcome parents into the school and offer them opportunities to become involved in its life.
- Listen to what parents and children have to say.
