

Y4 Geography Lesson 5

Task 1. Use Google Earth to complete this table.

Co-ordinate	Line of Latitude	Continent	Hemisphere
90N, 0E		_____	
90S, 0E			
0N, 30E			_____
66.5N, 40W			
66.5S, 62.5W			
23.5S, 70W			
23.5N, 100W			

Task 2. Write a paragraph about your chosen place in the world.

WAGOLL

My chosen place is Hiroshima. I have chosen it because I lived there for 2 years teaching English.

Hiroshima is in Japan in the continent of Asia. It is in the northern hemisphere like Britain, but it is further South, nearer the equator so it is much hotter. The time in Hiroshima is 8 hours ahead of us because they are much further East.

The latitude and longitude co-ordinates are:

34N, 132E.
